

Job Description

'Weed Sprayer Job Posting, April 2017'

Position is a training/weed spraying job beginning June 1, 2017. Initial anticipated duration of job will be into early October, 2017.

Job responsibilities include:

- **Spraying activities with Pickup, UTV and backpack sprayers**
- **Learning to mix and handle pesticides**
- **Protective PPE's will be provided**
- **Noxious Weed Grant administration**
- **Weed Identification**
- **Calibration of equipment**
- **Working with Landowner/land managers**
- **Weed management activities**
- **GPS (and) computer mapping**
- **Job will be limited to 40 hrs./week without prior approval by supervisors.**
- **Maintaining equipment**

Starting Salary: \$12.00-16.00/hr depending on experience

Opportunity of full time employment following satisfactory performance evaluation (after initial year)

Fall 2017 and winter 2017-2018, applicant will upon successful performance evaluation be expected to obtain a Commercial Applicators License. The eventual goal is to become certified for and eventually replace the current Meagher County Weed Supervisor (during 2018).

- **During fall and winter months (2017-2018), applicant will have opportunity to work part time learning grant writing, mapping, and servicing and building spray equipment.**
- **During May, 2018, applicant will resume training job as described above.**
- **Job will include assuming supervisory responsibilities as assigned until transfer of position.**
- **Job is probationary until applicant is approved for the full time supervisor job.**
